PRESIDENT'S REPORT 2021

It has been as successful year for the Show Society in many ways. Firstly, much has been achieved around the showgrounds. The trees at the shearing shed have been removed, the remaining one will now be removed at the end of the fire season. Also, the yard dog yards have been rejuvenated, the horse yards rebuilt and now finished, tree guards built along Tantrams Lane fence line, and trees planted, fence built and painted at the mower track, verandah at the sandwich hut completed and in now in use as the RV office, all the above thanks to our work for the dole program.

Covid was a huge problem in getting the show up and running. Many thanks to Trish Spreadbough and Sue Vanderheul for getting the Covid plan approved. It took approx. one hundred hours work and was approved one day before the Show. A huge thank you to Brett Keatley for taking on the role of Chief Covid Marshall a thankless job at which very thorough and efficient.

The Show was an outstanding success, with numbers through the gate and financially. With the records we have it was the most successful show this century. Motocross had its best entries on record and the lawn mower racing trebled in the numbers of competitors. The fireworks were up to the usual standard that Rob Balfour provides and all the other attractions, animal nursery, unique car display, yard dogs, food vendors were excellent. The horse section also had record numbers successfully organised by Lynda Fields. Unfortunately, the indoor suffered because of the Covid restrictions but was still a great display. The Demo Derby was again a huge success with the public and a big thanks to Jim and his crew for making it happen. The trade section of the show was down on previous years, due to the pandemic but all the follow up received was positive.

Another highlight was the BigScreen in operation for the first time at the Show on Saturday, on Friday the moto cross had it in their section. The follow up report showed we had 10,000 likes which was 67% up on our previous show and 1500 page visits which was up 57% from the previous show. So, a great result from this exposure for future shows. We couldn't have achieved this without our generous sponsors for the BigScreen – Bowmans Earthmovers, Nutrien Ag Solutions Millicent, Wattle Range Council, John Chay Livestock, Millicent Farm Supplies, Elders Millicent and South East Property Sales and Management.

For me, the highlight of show day was the opening of Vera's Kitchen. It has taken five years of challenging work to get from a condemned building to a fully functional hall with a first-class kitchen again. We should all be immensely proud of what has been achieved with the hall project.

The work for the dole has been a great bonus for the showgrounds, it has not only made a lot of the above-mentioned projects possible, but it also shows community support by the A H & P Society.

The RV Park is getting steadily more popular and receiving great comments from visitor who stay here. Thanks to Sue and Michael for making it run smoothly.

The showgrounds looked like the Botanical gardens on show day, and everyone involved in the work needed to achieve this – thank you. I had numerous positive comments on the way the showgrounds looked and how great all the improvements are.

There was no shearing or cattle at the show, and we need to focus on these sections. I am quite hopeful that shearing will be back in 2022 but we need to do more work on attracting cattle back to the show.

Finally, I would like to reflect on what has been achieved at the showgrounds in the last 5 years.

| | |
|---|-------------------------|
| Vera's Kitchen | Horse yards rebuilt |
| RV Park | Yard Dogs – yards fixed |
| Secretary office (relocated) | Mower Track |
| Removal of the pine trees at the shearing shed | Ticket Office |
| Installation of the Light towers at the Motocross track | |
| RV Office | |

To everyone involved in these projects I hope when you drive into the showgrounds you feel a sense of pride in what we have all achieved.

Finally, I would like to thank everyone for their support, it is very much appreciated.

A FEW HINTS FOR COOKING.

1. Read all instructions carefully
2. Display is important. Use medium size paper plates where there are several articles in a class
3. For larger cakes – cardboard cut slightly larger than the cake and covered with foil is quite satisfactory
4. Where there are several items in a class, look for uniformity both as to size and degree of cooking
5. A slice should be a slice (not a square) approx 2 – 2.5 x 7 – 6.5cm is a good size
6. In classes such as slices and sweets each pair should be identical
7. Avoid cake rack markings. Only use paper on base for fruit cakes, lighter cakes use melted butter and flour methods. NO cooking sprays
8. Iced cakes to be undecorated unless otherwise stated
9. These tips would apply in both open and junior classes
