PRESIDENT'S REPORT 2022

2022 Has come to an end and it was a very good year for the Millicent AH & P Society. The show itself posed some challenges a week out with the Moto X not being able to run due to insurance problems which meant for the first time in 30 years we did not have Moto X at the show.

Fortunately we were able to run a speed shear, thanks to John Jolly for organising on the Friday night which was hugely successful.

All our other attractions the lawn mower racing, demo derby, animal nursery, indoor, classic cars, horses-in-action, white wool, sheep and cattle, show person competition, yard dogs and the sideshows were well patronised.

The trade area and the food courts are getting bigger every year which adds to our show atmosphere. Not forgetting our fireworks, the best at any in the South East.

For me personally the most pleasing things was to have cattle and sheep back at the show. Everyone I spoke to were very impressed with both sections and the number of people watching the judging was great to see.

I would like to congratulate all the committee on a job well done, to me it felt like a real country show should.

The grounds are looking great, and the RV park is getting busier all the time. Many thanks to Sue for her work with the RV park.

The indoor girls have also started running monthly markets which are becoming more popular every month.

We have been able to secure a grant to build a veranda on the secretary's office with wheelchair access which should be completed before the next show.

Finally, I would like to thank everyone who contributed to the society in 2022 for a job well done. We can be very proud of the fantastic show we were able to produce in 2022. In my time of being involved with Millicent AH & P Society I can't remember a better or more enjoyable show.

MOWERS @ MILLICENT 2023

Lawn mower racing has been taking place in Australia since the late 80's when a bunch of Snowy Mountain farmers settled a dispute by racing their ride on lawnmowers down a steep hill with no brakes and engines off. It took a little longer for it to reach SA, with SALMRA's first race at Boobowrie in 2018. Since then, SALMRA has been supporting local communities and charities through a different kind of motor sport.

SALMRA races are held throughout the year in small towns around SA, ranging from Cape Jervis to Morgan and Meningie, with Millicent being the Grand Finale of the season. They don't race for prize money, but for bragging rights, and most importantly, to have some fun and support small towns with all proceeds from the day going back into the local community.

Lawn mower racing is a fun, low-cost family friendly sport with junior classes from 8 years old and adult classes ranging from a standard mower with its deck removed all the way up to the super modified A class running 450cc motorbike engines. It is certainly a sight to be seen!

Build rules can be downloaded from www.salmra.com.au – Email: contact@salmra.com.au to enter.

Be sure to check us out trackside at the Millicent Show on Saturday 4th of November 2023!

A FEW HINTS FOR COOKING.

1. Read all instructions carefully
2. Display is important. Use medium size paper plates where there are several articles in a class
3. For larger cakes – cardboard cut slightly larger than the cake and covered with foil is quite satisfactory
4. Where there are several items in a class, look for uniformity both as to size and degree of cooking
5. A slice should be a slice (not a square) approx 2 – 2.5 x 7 – 6.5cm is a good size
6. In classes such as slices and sweets each pair should be identical
7. Avoid cake rack markings. Only use paper on base for fruit cakes, lighter cakes use melted butter and flour methods. NO cooking sprays
8. Iced cakes to be undecorated unless otherwise stated
9. These tips would apply in both open and junior classes
